

Perfectly Pure Water  
Purely Sourced. Globally Trusted

## Premium Drinking Water Manufacturer & Global Supplier

At Oxley, we are committed to delivering pure, hygienic, and refreshing drinking water that meets international quality standards. As a leading water bottle manufacturer, we supply premium packaged drinking water to customers across the globe, ensuring safety, freshness, and consistency in every drop

Oxley Packaged Drinking water brand of Aqua Feena Company, Neerudu Group of Industries, Telangana State, India, a highly renowned Mineral Water Bottling Company from Hyderabad, the capital of Telangana State of India is all set to begin its supply to Enugu State, Nigeria by early 2026.

Driven by precision and a global perspective, we have built a supply chain that turns local manufacturing excellence into international reliability. As CEO, my focus is ensuring that our partners worldwide receive consistent, high-standard hydration solutions that empower communities and fuel progress everywhere.

**-DR. N. V Rao**
